Supplemental Funding Options  
As of September 21, 2016

The Division of Student Life (DSL) has several options for departments to request supplemental funds. These requests are generally solicited in early summer for the coming fiscal year. Requests are sent through the department’s respective associate dean.

**Core Initiative Funds**: Supports new or expanded high profile initiatives that have a leadership connection. Academic year funding for one or two years.

**Strategic Priority**: Supports initiatives directly connected to advancing the DSL strategic priority chosen by the dean for that particular year. Academic year funding for one year.

**Chancellor's Fund**: Supports student-involved campus grant boards to which student organizations can apply for funding. Calendar year funding for one year.

**Growth Opportunity**: Supports new or expanded partnering opportunities both within and outside of the division. Academic year funding for one or two years.

**International Student**: Supports new or expanded programmatic efforts focused on international students in coordination with International Student Services. Academic year funding for one or two years.

**New Student Fund**: Provides programmatic support for new student acclimation and orientation to the campus in coordination with the Center for the First-Year Experience. Academic year funding for one or two years.

**End of Year One-Time Expenses**: Provides funding for one-time purchases to support departmental goals and efficiency of operations. Examples are office renovation, printers, supplies, etc. Funds must be spent by June 30 of given fiscal year.
